

21st of May 2014.

To whom it may concern:

I confirm that Secure Builder Sp. z o.o. former name J.N. Construction Services Ltd. has been employed by Permafix Construction Solution Limited as our main contractor from February 2005 up to January 2012 and was based in Dublin Region on a full time in Pier D , Pier C , Pier E and T-2 at Dublin Airport . J.N.Construction Services. Ltd was responsible there for a passive fire protection work. After January 2012 up to May 2014 has been employed for us as our main contractor at the several sites in a many of Ireland's areas. This will continue to be the case for considerable future and I can also confirm that Managing Director of J.N. Construction Services Ltd.- Secure Builder Sp. z o.o. Mr. Janusz Nowak is a very well educated ,very honest ,hard working and trustworthy gentleman.

I trust this is a information required .Please don't hesitate to contact me if you have any further queries or concerns.

Yours sincerely,

Claire O'Connor
Office Manager
